\*Based on exchange of existing propane tank; code compliance or repositioning extra if applicable.

## We Offer:

### Residential Propane

WCP offers competitive rates and consistent, reliable customer service at any time of day. We carry a wide range of tank sizes and help you to decide which size you need. We will ensure that all codes are met on installation. If you currently use another supplier or heating source, contact WCP for a comprehensive cost savings proposal.

### Water Heater Rental

The WCP water heater rental program offers affordable, cost-effective peace of mind to homeowners and businesses. Our rental program gives you:

- A selection of propane, natural gas and electric water heaters for residential and commercial use
- Low monthly payments, fixed for as long as you rent
- Toll free 24/7 service number for emergency service

### Installation and Repair

From the first installation, great service is guaranteed at any time of day, and repairs will always be carried out promptly, especially in emergency situations.

Our technicians are fully trained to not only install propane systems, but to fully understand them, and be able to explain and troubleshoot in any scenario.
